

For the Love of the Game

The Brampton Excelsior Lacrosse Club is pleased to be able to offer you the first, second and third print in a series of four limited reproductions of original watercolours by George Balbar. George, who lived in St. Catherine's, was commissioned by St. Catherine's Athletics and the Jr. A. council to capture lacrosse history.

Each reproduction is printed on acid-free art paper suitable for framing and produced to the highest standard or quality. Each print is hand signed and numbered by the artist.

The first print entitled "Mush" is a tribute to George "Mush" Thompson and commemorates his contribution to lacrosse. The second print "unMasked" captures the tradition of goalkeepers that have worn the maroon and white. The third print "BUILDERS" pays tribute to Brampton's C.L.A. Hall of Fame inductees in the builder category. All proceeds from the sale of the prints go to support the Brampton Excelsior Lacrosse Club.

Building Lacrosse Excellence

Into The Millennium: Builders of Excelsior Lacrosse In Brampton Since 1871

BRAMPTON 2000

Brampton's Game...

Lacrosse in Brampton began sometime during the late 18th. Harry W. Dawson, an early professional player in Toronto with his father, is believed to have brought the first stick into Brampton. The story is told that "Thomas had a long time for the next week or so, leading to a small boy who played for a while in 1871. George M. Lee, the second Master in the local High School, organized the first team and became Brampton's first builder. He proposed the name "Excelsior" from Longfellow's poem of 1835 and he became the Excelsior Lacrosse Club's first president. The rest, they say, is history.

Rancho Athletic Field...

Club's linked with the planning of Brampton's lacrosse history at the Rancho Athletic Field. Through the kindness of successive generations of the Jennings family, this athletic ground, except for a few years during and following the war, was in constant use as the Excelsior's playing field. In 1937, the new Rancho Lacrosse "Star" team was built replacing the original Rancho Athletic Lacrosse Field. The new "Star" team was officially opened as a red jersey team on October 1, 1937, in a capacity crowd of 2,000 spectators. As one lacrosse historian commented of the new period: "Brampton is no longer unmasked. It could be beautiful, more cricket. But not in Brampton." The final season at the "Star" team was in 1952 when the Brampton Jr. A Excelsior captured the Canadian Championship and brought the arena cup to Brampton for the first time.
